

The Big and Scary Pumpkin

The Challenge: ECDC 4's and kindergartners wanted to make a REALLY REALLY BIG jack-o-lantern, the biggest one anyone ever saw!

Children drew
sketches and decided
on the VERY
SCARIEST one!

They need a
LOT of paper! It
took a long time
to measure and
tape it all
together.

It was hard to change the sketch from small to very, very big but everyone helped.

We worked on it for hours and hours!

Now everyone could see our scary and very, very, very big pumpkin!
