

NAEYC Fourth Anniversary Annual Report

NAEYC no longer accepts the Annual Report up to two (2) calendar months past a program's

accreditation anniversary date. The Annual Report will be accepted up to two (2) calendar months before the accreditation anniversary date, but the postmark date of the Annual Report submission must be on or before the accreditation anniversary date. A program that needs additional time is permitted to submit the Annual Report up to one (1) calendar month after its anniversary date if it pays a late fee of \$150.

The following graphic further explains the Annual Report Submission Window that all programs must follow at this time.

Effective as of January 1, 2011

Accreditation Anniversary Date, the deadline for Annual Report submission

NAEYC Fourth Anniversary Annual Report

PURPOSE

The purpose of the fourth anniversary Annual Report is to:

- Demonstrate preparedness for the Renewal process
- Ensure that accredited programs are continuing to meet the NAEYC Early Childhood Program Standards and Accreditation Criteria.
- Increase the accountability of the NAEYC Accreditation system for children, families, and all customers of NAEYC Accreditation.
- Provide NAEYC with the most up-to-date information related to the program's current daily operations and overall characteristics.

INSTRUCTIONS

The Annual Report is due on the first, second, third, and fourth anniversary of a program's accreditation (refer to the program's accreditation certificate for this anniversary date). Failure to submit an Annual Report within the established submission window will result in the revocation of the program's accreditation. In order to complete this report programs will need to refer to the criteria, which are available on <u>The Online Resource Center Headquarters (TORCH)</u> to support program quality improvement, in the publication *NAEYC Early Childhood Program Standards and Accreditation Criteria (NAEYC # 9900)*, and in the NAEYC Self-Study Kit.

NAEYC Accreditation is granted to the overall program, and will not be granted to individual classrooms within a program. Throughout the NAEYC Accreditation process, all eligible groups a program serves must be reported and may be observed during a site visit. This includes groups within the program that operate during the summer and after-school care groups. A group can only be excluded from a program's NAEYC Accreditation if it is part of a separate program that has a separate public identity. A program pursuing NAEYC Accreditation must notify NAEYC of all separate programs that operate within its facility and be able to demonstrate a separate budget, administration, license and/or other criteria. Reporting on Licensing/Regulatory Status, Critical Incidents, and Major Changes

NAEYC-Accredited programs and programs that have submitted an Application (Step 2) for NAEYC Accreditation are required to update NAEYC of critical incidents, suspension or revocation of license or regulatory status, and major changes according to the following timeframes. To meet upcoming Candidacy and site visit requirements for NAEYC Accreditation, a program must maintain good standing in its licensing or regulatory status by having no serious issues of noncompliance within the last year or since its last inspection.

Section 3: PREPAREDNESS FOR RENEWAL PROCESS

The Sources of Evidence for all Criteria have been updated as of September 2008 and are used to conduct all site visits at this time, including the site visit for renewal. In preparation for renewal, programs must organize their evidence according to the 2008 Sources of Evidence as listed below.

2008 Sources of Evidence

- Program Portfolio
- Classroom Portfolios
- Teaching Staff Survey
- Family Survey
- Observable Criteria

2008 Sources of Evidence Portfolio Spot Check

This quick test will assist individuals as they spot check a program's Program Portfolio (PP) and Classroom Portfolios (CPs) to determine if they are aligned to the current 2008 Sources of Evidence (SOE2008).

Complete the charts below by marking 'Yes' or 'No.' Mark 'Yes' if evidence exists within the portfolio for the criterion indicated. Mark 'No' if evidence does NOT exist in portfolio.

Program Portfolio		
Criterion	Evidence l	ncluded?
6.A.09	🗌 Yes	🗌 No
6.B.01	🗌 Yes	🗌 No
Formerly evaluated by Staff File Evidence in SOE2006.		

Classroom Portfolios		
Check one or two CPs only		
Criterion	Evidence Ir	ncluded?
4.C.02	Yes	🗌 No
4.C.03	Yes	No No
Formerly evaluated by Child File Evidence in SOE2006.		

If you marked 'Yes' for all criteria, indicating that evidence is included within portfolios for the criteria above, your program's Self-Assessment is aligned to SOE2008 and no further action is necessary.

If you marked 'No' for any criteria, indicating that evidence does not exist within portfolios for the criteria above, your program's Self-Assessment may not be aligned to SOE2008. Refer to the <u>Transition to 2008 Sources of Evidence Worksheet</u> for a list of all criteria that have been added to CPs and the PP as a result of the 2008 Sources of Evidence Update.

Surveys for Renewal

Teaching Staff Surveys and Family Surveys for Self-Assessment must be conducted within one (1) year of the Renewal Materials Due Date in order to be valid for the site visit for renewal. These surveys are available within the <u>TORCH</u> Resource Library, folder 4. Tools for Self-Assessment, sub folder *d. Survey Tools*.

Section 4: CONTINUOUS QUALITY IMPROVEMENT MEASURES

Instructions

To complete Section 4: Continuous Quality Improvement Measures, each of the 2008 Sources of Evidence should be complete with labeled pieces of evidence or completed summary forms. Reference your completed Sources of Evidence to answer the following questions.

Notes:

- If your program has not completed the Teaching Staff and Family Surveys at this time, you may estimate the survey scores for each criterion by referencing information collected through alternative means. For example, if your program conducts its own survey of staff and families annually or collects feedback from staff and families through face-to-face meetings, information from these practices could inform estimates of survey scores. Note that the official Teaching Staff and Family Surveys for Self-Assessment must be conducted within one (1) year of your program's Renewal Materials due date and results of these surveys will be reviewed by an NAEYC Assessor during the site visit for renewal.
- Do not exceed the space provided as you complete each question. Doing so will decrease the user-friendliness of this Annual Report.
- Do not attach evidence to these materials. Simply report on the evidence that you have collected throughout your program's formal Self-Assessment.

Section 6: FEES FOR NAEYC ACCREDITATION

NAEYC is phasing in an improved fee structure that will better assist programs in long-term budgeting for accreditation costs. Refer to your program's Valid Until date printed on the NAEYC Accreditation Certificate to determine the fee to include along with the Annual Report. For more information, refer to <u>www.naeyc.org/academy</u> and click on <u>Fees</u>.

\$550	10 - 60 children	
\$650	61 - 120 children	
\$775	121 - 240 children	
\$885	241 - 360 children	
Add \$150 for every additional 120 children.		

Valid Until Dates January 2016 and Later

Note: Programs that successfully maintain accreditation over time will not pay additional renewal fees. The Annual Accreditation fee will be due annually, including on the fifth anniversary of accreditation.

The accreditation fee is calculated based on the number of children enrolled in a program at the time this form is submitted. If the number of children changes for a defined portion of the year (for example, altered program operation during the summer), the program should report the number of children that typically applies throughout the majority of the school year. Programs will be billed for supplemental fees (according to the chart above) if program enrollment is inaccurately reported during the accreditation process.

Reference the following rules to determine the number of children that determines the accreditation fee for your program.

- Each child is only counted once.
- Each child of eligible age (birth through kindergarten) that is part of an eligible group is counted. All eligible groups MUST be included in your program's NAEYC Accreditation. Note that groups are not eligible if more than 50% of the children are school age (first grade and beyond).
- For programs with hourly care or drop-in care groups in which the total number of children enrolled in the group exceeds the maximum licensing capacity of the group, only the maximum licensing capacity of the group is counted. Add the maximum licensing capacity of any drop-in care groups to the total number of children, if applicable.

Age Category	Number of Children Enrolled
Infant (birth to 15 months)	
Toddler/Twos (12 to 36 months)	
Preschool (30 months to 5 years)	
Kindergarten (public or private)	
TOTAL Number of Children:	

This form will not be processed until NAEYC receives the applicable fee.

Late Fee

If the program submits the Annual Report up to one (1) calendar month past the accreditation anniversary due date, a late fee of \$150 must be included with the payment. Please note that this form will not be accepted unless NAEYC receives the applicable fee within one (1) calendar month past the accreditation anniversary due date.

I acknowledge that this form is being submitted up to one (1) calendar month past the accreditation anniversary due date and the \$150 late fee is included with the payment.

NAEYC will ONLY accept Annual Reports through e-mail if a credit card payment is included. **Programs paying via check or purchase order are not eligible to submit via -email.**

Faxed Annual Reports will not be accepted.

NAEYC accepts the postmark date or the e-mail sent date as the submission date. NAEYC recommends that programs obtain written confirmation of receipt of all forms sent to NAEYC P.O. Boxes. Please discuss tracking options with your local Post Office. NAEYC is not able to sign for materials that are delivered to a P.O. Box by an individual courier such as UPS or FedEx. Similarly, NAEYC recommends that programs save a copy of any automated e-mail replies as confirmation of receipt of all forms emailed to NAEYC.

Copy this form for your program's records before submission. NAEYC will not return this form to the program.

Section 9: RESEARCH PARTICIPATION

Information gathered on our application forms and during the site visit will become part of a national data base of early childhood knowledge. As we put together information about programs across the nation we will be able to fully describe aspects of early childhood programs in ways that have never been achieved before. Ideas that emerge from the work of programs will guide professional development, research, and program development. At no time will individual programs, teachers, children or families be identified in any way. In keeping with the professional ethics of Institutional Research Boards in universities, NAEYC is committed to keeping work of individual programs confidential.

Programs may have opportunities to engage in research projects, but will at that time be fully informed of the scope and nature of the project. If you have concerns about the use of information gathered during the accreditation process, please email <u>qualityassurance@naeyc.org</u>.

By providing this voluntary demographic information, your program provides data that helps NAEYC gain a better understanding of how criteria are met and whether certain criteria pose challenges for programs with various characteristics. This information is used for continuous quality improvement and guides professional development, research and program development.

Additional Program Information

This information will be used to help NAEYC better support programs in Self-Study and to evaluate the effectiveness of NAEYC Accreditation over time. The information you provide will NOT affect your NAEYC Accreditation status in any way.
