ECDC Scholarship Application

A limited number of ECDC Tuition scholarships are awarded each year based on financial need and/or extenuating circumstances. Scholarships can be awarded for either one semester or the entire academic year. Scholarships are not guaranteed to apply for either Maymester or Summer I sessions, but may be awarded if enough funding is available. The amount of each scholarship is also dependent on available funds, but is usually varies between one third and one half the normal tuition rate.

To apply for a scholarship, please fill out the application information below and attach supporting documentation for proof of annual income with a copy of most recent income tax return. Although not required, you may attach a narrative explanation of your request if you think it may help the Scholarship Committee make their decision on your behalf.
